Dear Theater Director,

I am writing this letter to apply for the position of chief conductor of the choir at your music theater.

I studied choir conducting at Klaipėda Stasys Šimkus Conservatory, and then I studied at the Lithuanian Academy of Music and Theater.

During this period I participated in many competitions of Lithuanian choir conductors, where I won prize seats. I had masterclasses with famous choir conductors. I also organize choral music concerts and festivals at the event, and I volunteer at children's music camps where children learn choral singing. In addition, I can communicate and work with people, I have leadership qualities, I can lead a group of people and organize work together.

I think that while working in your theater, I would have excellent conditions to improve, to continue my activities, to understand the specifics of your work in the theater. I also think that by leading your theater choir, I could continue the traditions of music culture.

You can find more information about me on my CV

Sincerely,
