I WILL BE...

"I WILL BE...!" is a concept exhibition that has received Liepaja Culture Award 2018. The exhibition's purpose was to enhance visibility of the school and introduce potential students with the education opportunities, as well as to confirm the contemporary, creative and professional character of the school.

DESIGN DAYS

2018

Design days are an interdisciplinary experience exchange platform for the best current and future Latvian designers, field professionals and “hunters” of persons talented in design. The aim of the design days is to promote synergy of music and art, master interdisciplinary cooperation and reveal new collaboration edges among music, art and design.

Within the design days, there are qualification exams in all education programs, an exhibition of qualification works, as well as a fashion show, master classes, discussions, musical performances.

MASTERCLASSES IN MUSIC

*In LMMDV, master classes in music are held on a regular basis as this is an opportunity for students and teachers to expand their knowledge, get inspiration and learn from musicians and music teachers that provide concerts and are well known in Latvia, Europe and globally - **Humberto Rios Rodriguez, Artūrs Cingujevs, Julius Kurauskas, Ilona Meija, Yorlenie Yuliset Delgado Faria, Edgars Saksons, Andrejs Osokins, Jonathan Lindhorst, Adam Rapa, Oskars Petrauskis** a.o.*

*Master classes with **Andrejs Osokins**, a pianist*

MASTERCLASSES IN ART AND DESIGN

Master classes and guest lectures in LMMDV is a great platform for professional improvement of students and teachers under guidance of well-recognised Latvian artists and designers: **S Žarozo, A Naumovs, I Heinrihsons, K Brekte, A Vītoliņš, I Elere, B Ābele, I Klīdzejs, I Epnere, A Freimane** a.o.

French artist **Silvère Jarrosson's** workshop in painting

SKILLS CONTESTS

Students of the school participate in competitions for young professionals, SkillsLatvia, EuroSkills and WorldSkills, demonstrating great achievements.

We are proud of our graduates: Linda Vilka who received an excellence medal at WorldSkills competition in Abu Dhabi, the United Arab Emirates, in 2017, while Luīze Mihailova took the 2nd place for a showcase design at EuroSkills competition in Budapest, Hungary, in 2018.

*SkillsLatvia 2019 — Danita Šķila — 1st place for clothing design
Annija Drungila — 2nd place for graphic design
Mārtiņš Kuncītis — 2nd place as a furniture maker*

Teachers of our school made great contribution to professionally prepare the students for the competitions.

Toms Voronko "Interior design for Liepaja Center Primary School"

Starting from 2001, Liepaja Music, Art and Design Secondary School is an active participant and official partner school of European Lyceum Parliament (P.L.E. in France), that is an organisation which unites European vocational education schools that implement jewellery art curricula.

The European Lyceum Parliament organises a travelling jewellery art exhibition and competition to the countries of the partner schools. Our school is the only school from Latvia and the Baltic States represented in the organisation.

(P.L.E.) JEWELLERY ART EXHIBITION

Concert hall GREAT AMBER
2018

JAM SESSIONS

Once in a month, concert hall GREAT AMBER holds public and free improvisation evenings or jam sessions organised by LMMDV by inviting well-recognised Latvian and foreign jazz musicians as soloists. This has become an important cultural tradition of Liepāja.

INTERNATIONAL COMPETITION FOR PIANO ENSEMBLES AND INSTRUMENTAL CHAMBER ENSEMBLES WITH PIANO

The aim of the competition is to emphasise significance of a concertmaster and popularise collective playing in piano ensembles and instrumental ensembles with a piano.

competition

WIND RHYTHMS

International Rhythm Music Festival–Competition for Ensembles of Wind and Percussion Instruments, Wind of Rhythm, has been a traditional event for many years. It has brought to Liepāja a huge number of ensembles from Latvia, Lithuanian and Russian music schools.

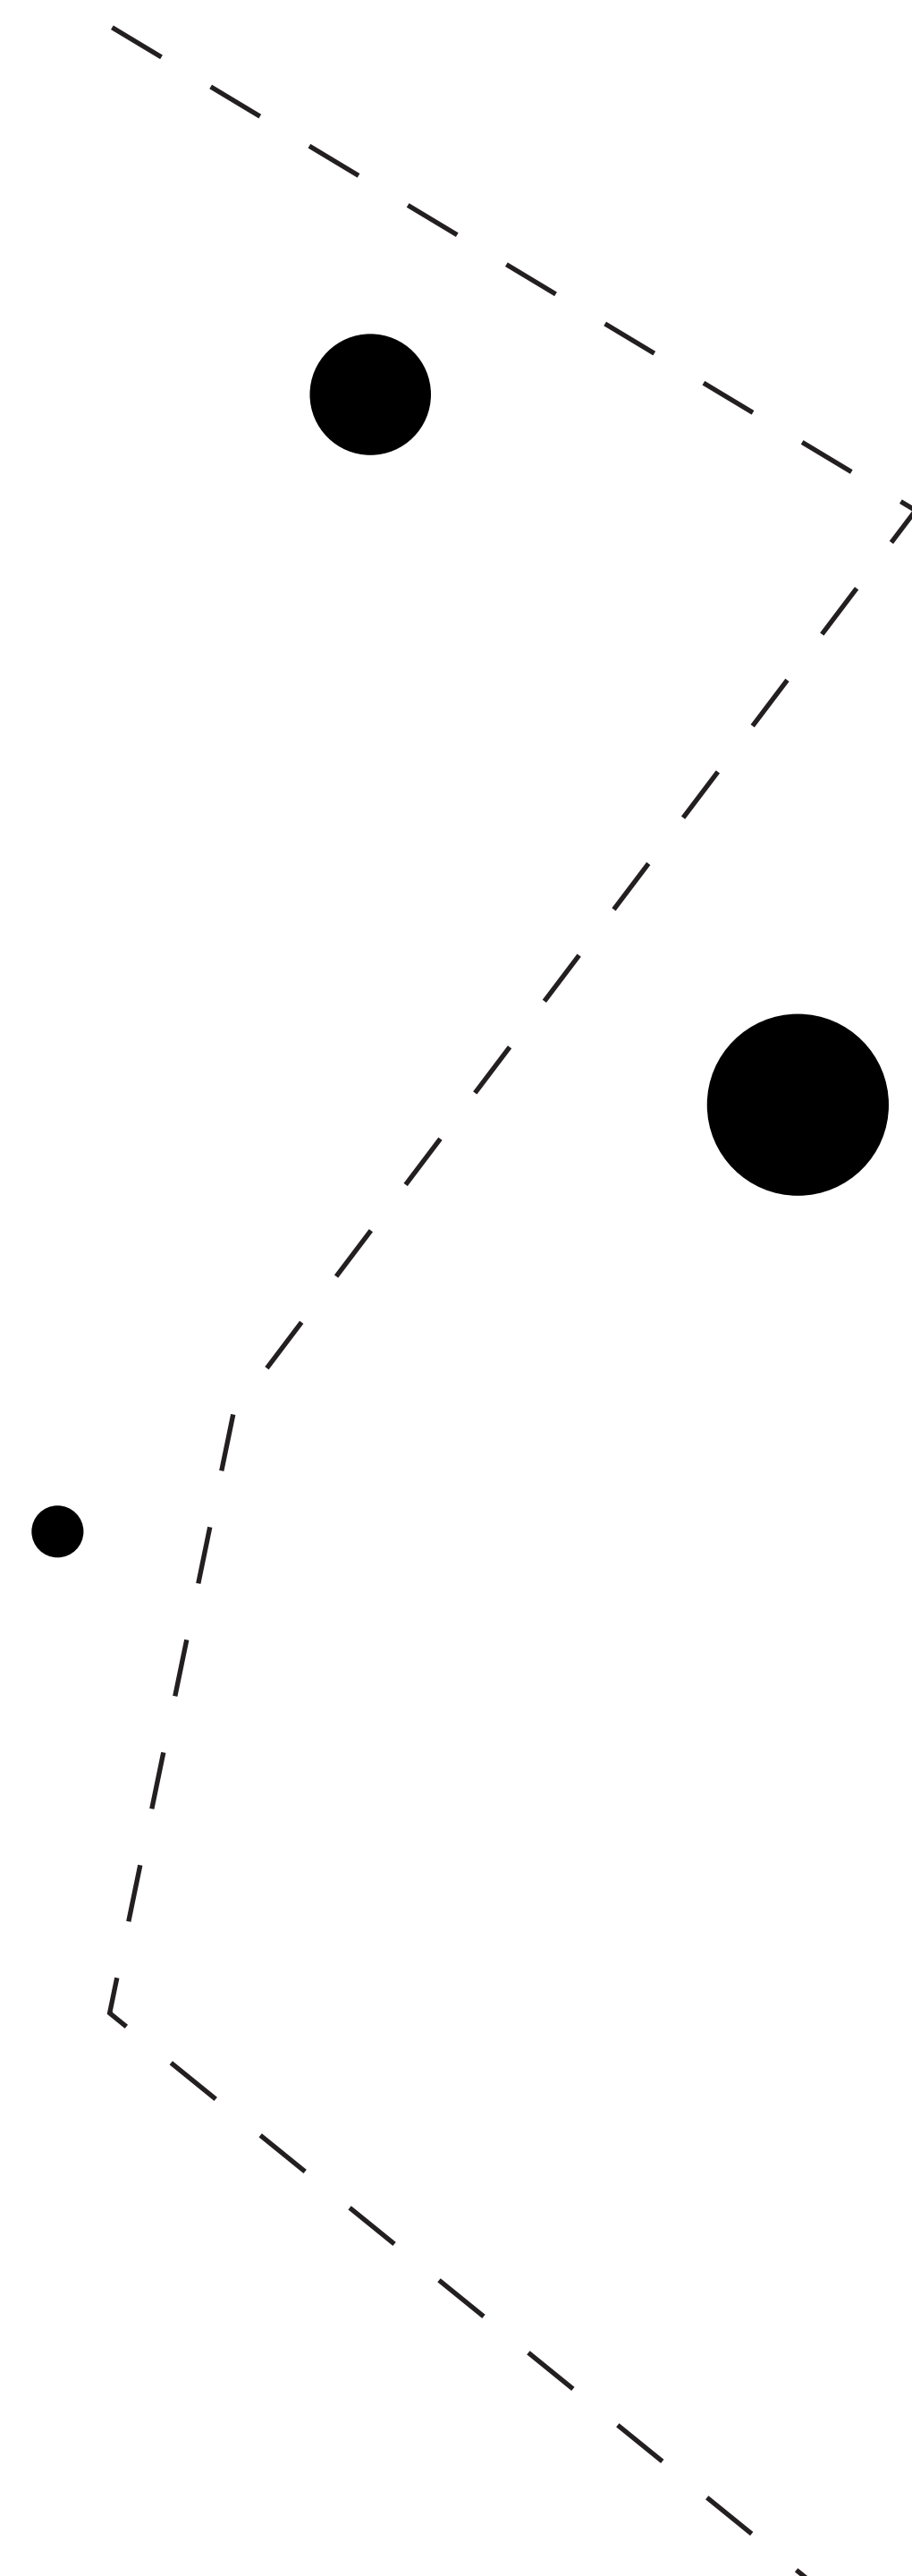

competition

PIANO FREQUENCY

Liepaja II International pianist competition – promotion of the professional interest of children and youth about the classical values of piano music and innovations, tendencies of modern piano music.
